Enclosure:

Office of the
General Manager (Ele).,
DSM, Corporate Office,
BESCOM, K.R. Circle,
Bangalore-560 001.

Date: 06.04.2016

To,
All Executive Engineers (Ele),
O&M Division, BESCOM.

Sir,

Sub: Obtaining the Technical details before executing the PPA for Solar RTPV systems.

Ref: This office letter No.: BESCOM/BC-541/2014-15/CYS-83 dated: 17.03.3016.

It has come to the notice of the Corporate Office that, many field officers are delaying in processing the SRTPV applications on the plea that Technical details has to be obtained from KPTCL authorities for all the applications (even though the sanctioned load is more than the SRTPV installations etc.).

Hence, it is clarified that, KPTCL station information is required only if it is necessary to construct a separate 11Kv line to evacuate the power from the SRTPV installation. In such cases the details shall be obtained from the KPTCL authorities and incorporated in the Format 'D' without insisting KPTCL authorities to sign in the Form-4 (Technical Feasibility Report).

Yours faithfully,

(C.Nataraja)
General Manager(Ele)
DSM, BESCOM
