Corporate Office,
K.R. Circle, Bangalore

Date: 25/7/15

No. BESCOM/BC-51/2461/2014-15/CYS-22

CIRCULAR

Sub:- Commissioning of Solar RTPV installations upto 5kW by the Concerned Sub-divisional AEE's.

Ref:- Approval by MD BESCOM dated: 22 July 2015

Preamble: BESCOM has launched the Solar RTPV systems on 7.11.2015 and till date commissioned 88 nos. of Solar RTPV installations with installed capacity of more than 1611 kW. The prospective SRTPV applicants who have registered by paying the registration fees are of total 250 nos. of 12 MW.

At present the Solar RTPV installations from 1kW to 1MW are serviced by the O&M EE/AEE along with MT staff, as net metering concept is new to the BESCOM officials. The classification are as below:

Sl. No.	System Capacity	Voltage Level
1	Upto inclusive of 5 kWp	240 Volts, 1Phase
2	Above 5 kWp to upto 50 kWp	415 Volts, 3 Phase
3	Above 50 kWp & upto 1MWp	415 Volts /11KV

Now the concerned AEE's of sub-division's are convergent with the commissioning procedure of SRTPV systems.

Hence this circular - To avoid delay, upto 5kW the concerned sub-divisional AEE's shall commission the Solar RTPV installations without MT staff and the commissioning report(Format-8) sent to this office without fail.
