## Circular

**Sub:** Time extension for completion of installation work of SRTPV system- Reg.

### **Preamble:**

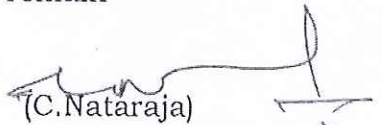

Corporate Office is receiving many letters requesting for extension of time limit for completion of installation work of Solar Rooftop PV system (SRTPV) since, the loan process is taking more time at prospective applicant end, as the plea that present 180 days' time for work completion is not sufficient. This issue was discussed in the process committee held on 16.09.2015 and decided to fix the time limit as indicated below duly collecting Re-Registration fees as to speed up the SRTPV program.

### **Hence this Circular,**

Approval is hereby accorded for extension of time limit after completion of 180 days for installation work of Solar Rooftop PV systems duly collecting the Re-Registration as indicated in the below:

Proposed Capacity of Solar	Existing Time Limit	<u>Extension of Time Limit after completion of 180 days</u>	Re-registration Fee
1kW - upto 5kW	180 Days	6 Months	Rs.500/-
Above 5kW - upto 50kW		9 Months	Rs.1000/-
Above 50kW		12 Months	Rs.2000/-

All other terms and conditions specified in previous orders remain unchanged.
