### **PREAMBLE:**

To encourage the Domestic consumers for installation of the Solar Rooftop, Hon'ble Commission vide its order dated 01.06.2023 has simplified the procedure for capacities from 1kWp to 10kWp and has directed that ESCOMs to provide facilities for submission of online application. The PPA and letter of approval to execute the work shall form part of the application. The application format shall be submitted to the Commission for approval within 7 days.

Also, this office vide OM cited under ref no.2 dated 30.06.2023 has informed that the procedure and time lines will be issued for capacities from 1kWp to 10kWp (Domestic Consumers).

Hon'ble Commission vide letter dated: 28.07.2023 has approved the application format & e-signing of the PPA in the online mode. Accordingly necessary changes are made in the SRTPV online software.

### **Hence, this OM:**

1. This procedure is applicable for Solar RTPV capacities from 1kWp to 10kWp (Domestic Consumers) only.
2. The Applicant shall submit On-line Application Only to the Sub-divisional Officer (SDO).

3. The Application Registration process consists of 3 steps as detailed below:

**STEP-1:** Rooftop details : Entering Rooftop details such as Solar capacity, shadow free area, type of connection, Enter Email id and mobile no. etc.

**STEP-2:** Payment of fee such as Application, processing & e-Sign fee.

**STEP-3:** Verification of draft PPA by the consumer and execution the Power Purchase Agreement (PPA) in Online mode through E-Signing the PPA.

4. After successful Registration of the Application an approval letter is auto generated for installation of SRTPV work.

5. The **Sub-divisional officer shall mandatorily verify that the PPA is e-Signed by the RR no. account holder / consumer only.**

6. If consumer submits the Application and not make payment or will make payment & not e-Sign in such cases 15 days, time period is allowed to the consumer to complete the process ( ie. all 3 steps) else the Application will be auto cancelled and no refund of amount will be made ( if payment is already made). However, the consumer shall resubmit the fresh Application.

7. In case of any delay in commissioning of SRTPV plant, Capacity variation etc the applicant will be prompted to execute an SPPA through E-signing mode only.

A Manual with step by step procedure is hosted in BESCO Website-> SRTPV link.
