Sub: Corrigendum & Addendum to the guidelines for empanelment of grid tied inverter manufacturers for implementation of SRTPV program in BESCOM

- Ref:**
1. Proceedings of the meeting held on 27.09.2018 vide OM No: BESCOM/BC-51/2017-18/1099-102 dated 15.10.2018
 2. Guidelines for empanelment of grid tied inverter manufacturers vide OM No: BESCOM/BC-51/2018-19/1456(a) dated 24.12.2018
 3. Note approved by DT(BESCOM) dated 12.07.2019

PREAMBLE

BESCOM is empaneling grid tied inverter manufacturers for implementation of SRTPV program as per the guidelines issued vide under reference-2. Empanelment is a continuous process and is being processed in GM (DSM) section. To bring in more quality to the empanelment process, factory inspection of grid tied manufacturing unit has been included, when the grid tied inverter manufacturers apply for renewal or empanelment of additional capacity whichever is earlier.

Hence this corrigendum and addendum

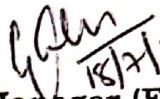

BESCOM/BC-51/2019-20/CYS-09

dated: 20-07-2019

CORRIGENDUM		
Clause No	As existing	As amended
III (4)	The grid tied inverter manufacturer who have registered before 01.10.2018 shall arrange for one time factory inspection of the manufacturing unit and the inspection cost shall be borne by the manufacturer. The inspection shall be done by one officer each from GM (QS&S) section and GM (DSM) section.	The grid tied inverter manufacturer who have registered before 01.10.2018 shall arrange for one time factory inspection of the manufacturing unit either when requested for renewal or additional capacity whichever is earlier and the inspection cost shall be borne by the manufacturer. The inspection shall be done by one officer each from GM (QS&S) section and GM (DSM) section.

ADDENDUM	
Newly added Clause	As Added
II (4)	The grid tied inverter manufacturer shall arrange for one time factory inspection of the manufacturing unit either when requested for renewal or additional capacity whichever is earlier and the inspection cost shall be borne by the manufacturer. The inspection shall be done by one officer each from GM (QS&S) section and GM (DSM) section.

All the other terms and condition of the guidelines for empanelment of grid tied inverter manufacturers for implementation of SRTPV program in BESCO remain unaltered and **this corrigendum and addendum comes into effect from 01.10.2018.**
