**Ref: 1) I.O Note of DGM (SG&EV) dtd: 21.11.2020.**  
**2) Note approved by DT, dated 19.12.2020**

\*\*\*\*\*

Inviting your attention to this office circular vide no: CGM (O)/DGM (O)-3/AGM (O)-3/F-332/20-21/Cys-83 dated: 28.10.2020, where in the procedures for arranging power supply under Sub-meter applications including EV charging station was defined.

After reviewing the issues raised by DGM, Smart grid and EV cell, vide I.O note cited under reference, the following are the clarifications with respect to the above said circular:

- The Sub meter applications under HT for EV Charging stations shall be registered at the office of the Executive Engineer, Ele, C O&M Divisions and rest of the procedures shall be followed as per the delegation of powers.
- The applications under LT for EV charging stations shall be registered at the office of the Assistant Executive Engineer. Ele, O&M Sub-Divisions
- The 2 MMD for LT6(C) is already defined, the same needs to be considered for new LT6(C) applications.
- 2 MMD/deposit for the requested sub meter under HT shall not be collected, provided there is a sufficient deposit collected for main meter.

**Yours faithfully,**

  
**Chief General Manager (Elec.)**  
**Operations, BESCOM.**
