O/o Chief Engineer(Ele),(Operations)  
Block-II, 3<sup>rd</sup> Floor, Corporate office,  
BESCOM, K.R. Circle,  
Bengaluru - 560 001.

Date : 20 JAN 2023

## **CIRCULAR**

**Sub: Regarding updating/recording the longitude/latitude of the new installations before issuing the permanent RR No's.**

### **PREAMBLE:**

By having the routine inspection at sub division offices by the higher officers, it has come to the knowledge of the corporate office that there are many long disconnected installations having huge arrears which is not able to be recovered. With detailed enquiry the field officers expressed that identification of long disconnected installations could not be traced out by using next RR Nos which would be mentioned in the completion report of RR Docket.

In this way, BESCOM may lead to incur huge un-realisation of revenue with long disconnected installations. In order to avoid these kind of inability to identify the long disconnected installations a suitable measure shall be formulated and adopted.

### **Hence, this Circular:**

**No: CGM(OP)/DGM-OP3/AGM-1/BC-18/F-332 /22-23/45-189 Date : 20 JAN 2023**

All the Section Officers/Field Officers of BESCOM are hereby directed to capture the longitude/latitude of the installations/premises/building of the applicant which are registered for power supply mandatorily during the spot inspection, to record the same in the new connection file and also to mention the Side RR No's/Next RR No's and the same has to be authenticated along with signature and seal of the concerned Section Officers/Field Officers.
